# Company Overview

## Our History

## 50+ Years of Practical Experience in Construction

SUMAJKT Construction Company Limited (SUMAJKT CCL) has been a cornerstone of Tanzania's construction industry for over 50 years. Initially established as the National Service Construction Department (NSCD), the company rebranded on November 24, 2018, to its current name. Among its initial works were the construction of National Service Military camps all over the country. Participation in the construction of houses in Magomeni and Kinondoni for National Housing Corporation under the then "Slum Clearance Scheme" between 1968 to 1973.

Recent projects include constructing 250 civil servants' houses in Mwangaza, Dodoma, and 150 houses in Mbweni Malindi, Dar es Salaam. Currently, SUMAJKT CCL is undertaking nine (9) significant construction work for Government Institutions and Ministries at Government City Mtumba, Dodoma.

Our ongoing commitment to excellence and quality continues to drive Tanzania's infrastructural growth.

# Company Overview
